There's a witch in this town.
Five years ago,
Take this...
And here's the speaker!
The Decree of Human Rights for Witches made the existence of witches public.
Got it! I'll be sure to fly with it for a full hour!
And... set.
I'll be back!
Thank you very much.
Oh, she's flying! She's really flying!

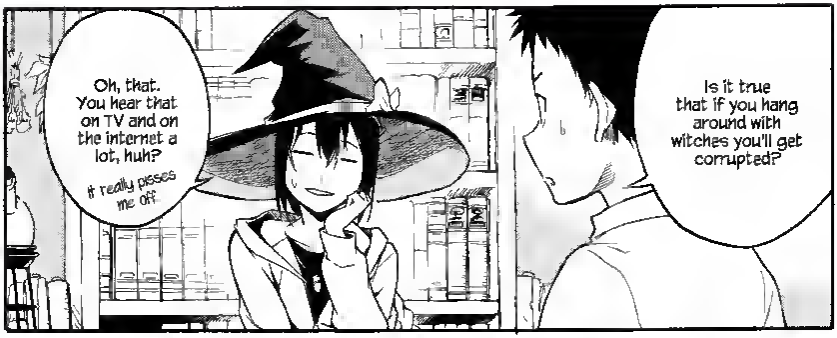
I'LL SOLVE YOUR PROBLEMS!
First, stop on by for a hassle-free consultation!!
Here
No matter how I look at it, it still seems pretty shady..
Hmm..
Whoosh
Plus,
One'd really be in a place like this? A witch...

You rang?
UWAH!
Here with a job for me?
Y-YEAH!!
OK!
Let's head into my office!

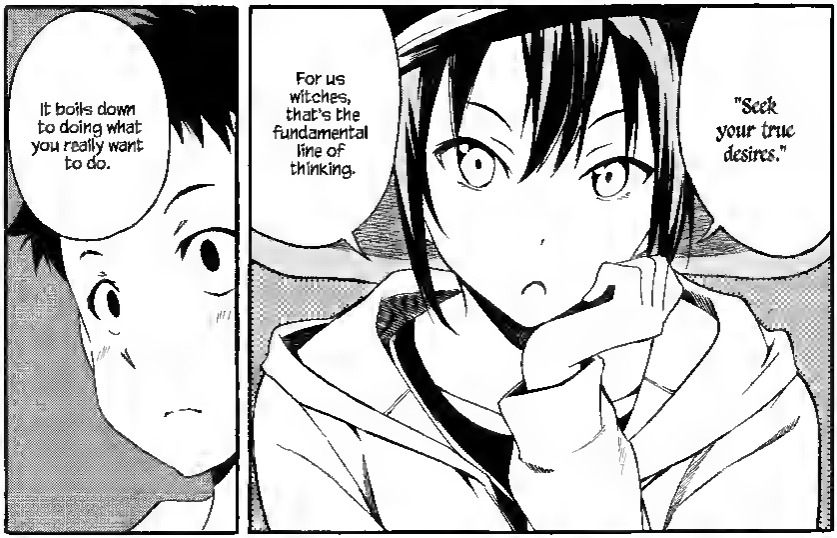
I'm Kurono Nono.
As I'm sure you know, I work as a witch in this town.
And you are?

Um... first... could I ask you something?
Huh? Sure. What's up?

Konishi Yuuta. I'm in my second year of middle school.
I'm in the baseball club.



Is it true that if you hang around with witches you'll get corrupted?
Oh, that. You hear that on TV and on the internet a lot, huh?
It really pisses me off.



"Seek your true desires."
For us witches, that's the fundamental line of thinking.
It boils down to doing what you really want to do.

We've had that mindset for a long, long time.
And that's why it's said that we lead people into depravity.
And thus we were persecuted, burned, and so on.

No matter what your desire might be, we won't refuse it.
Whether that will corrupt you or not depends on you...
Now...
What could your desire be?

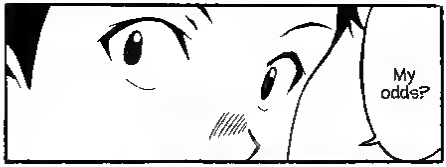
I...
I WANNA HIT A HOME RUN!!

WE HAVE A TEAM SCRIMMAGE TOMORROW AND THE RESULTS OF THAT'LL DECIDE WHO'LL BE STARTERS IN THE NEXT TOURNAMENT!!
DO YOU HAVE MAGIC THAT'LL LET ME HIT A HOME RUN IN THAT GAME?!
Magic to hit a home run, huh...?
I see.

To the point where there's a lot more that you can do with science
Magic isn't as almighty as you think it is...

Eh...
Nope...

WAH! HANG ON! HOLD IT RIGHT THERE!!
Thanks very much, lady.



My odds?

There is magic to change your coefficient of restitution!

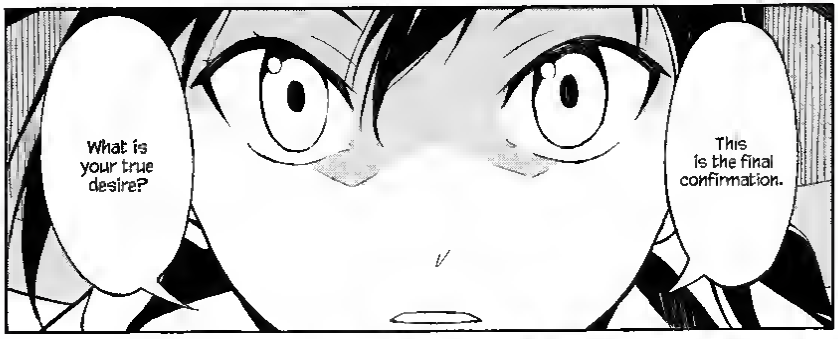
But how about if we increase your odds?
There might not be magic that will let you hit a home run.

You're fine with that?
But it is cheating.
PERFECT! YES! I'LL TAKE IT!!
Great!
Magic like that might turn a deep fly into a home run. How does that sound?
I don't care.
...Yeah.
I can do it in practice...
IF I CAN DO IT JUST ONCE, I'LL TAKE CARE OF THE REST BY MYSELF!!
JUST ONCE IS FINE!

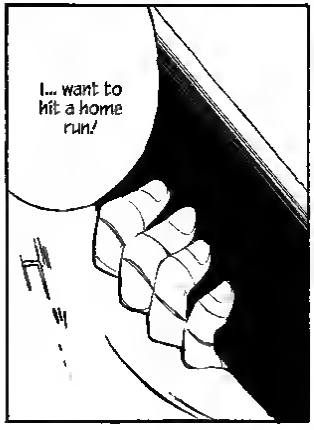
That was an imprecise question.
I don't care if you cheat or not.
But I almost never get to play in real games.
And when I am called to pinch hit, once I step into the batter's box, the field just seems so big...
And I don't feel like I can hit it at all.
I just wanted to confirm something.
Whether that's really...
Your true desire.

Now, once you touch the tip of your bat here...
Your bat's repulsive power will be much stronger than it was before.

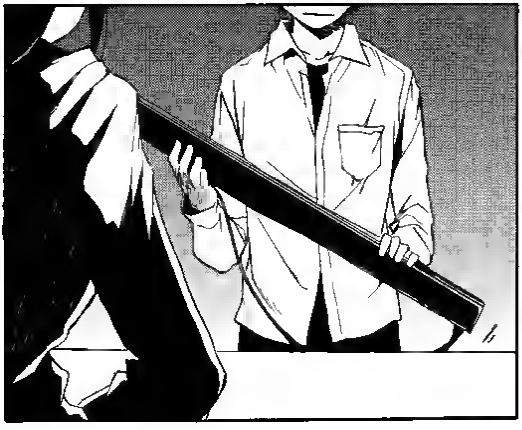
People really are strange...
Many don't realize their true desires till the very last.



What is your true desire?
This is the final confirmation.

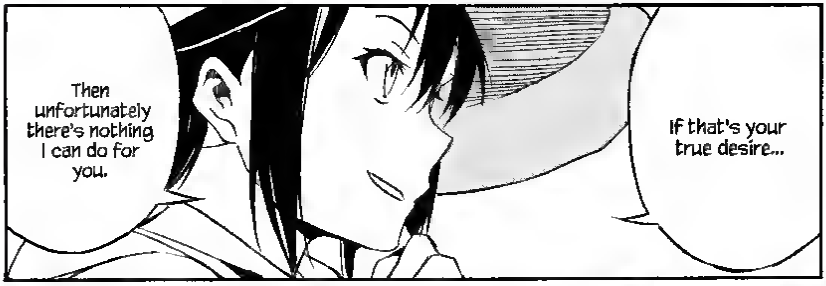


I... want to hit a home run!



Ugu...
Guh...

But... not with magic after all. I wanna do it with my own strength!!

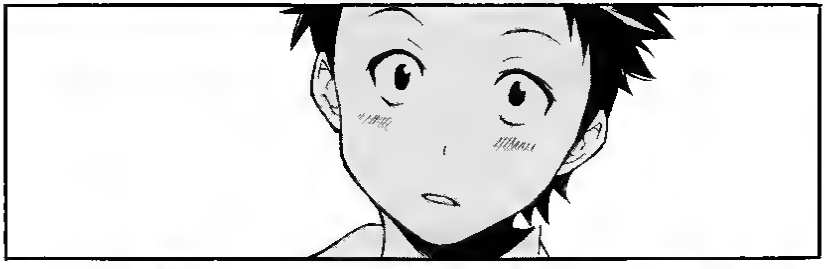


If that's your true desire...
Then unfortunately there's nothing I can do for you.

Jeez... what a way to run a business.

Um... thanks for everything.
It's not like I did anything.
Oh, I know!
I'll take you home.
Hold on tight!
Y-YES MA AM!!
All right. Here we go!
W-WE'RE FLOATING?!
We're going to soar. Ready?

So high!
Right?
The view up here's much bigger than you can see from that batter's box, huh?



Witches fly through the sky on brooms.
It's not amazing at all. It's just something we know how to do.

To be able to fly...
Witches really are amazing...

But other people have to find their own ways of flying...

Some fly with their guitars.
Some fly with their pens.
Each person is different.
I think those ways of flying are much more awesome.
One day... do you think I'll be able to fly, too?
You will! If that's your desire!
